

**THE OHIO STATE UNIVERSITY**  
COLLEGE OF ENGINEERING

# Chemical and Biomolecular Engineering Research for Thesis

## CBE 4999

**Credit Hours:**

1.00 - 5.00

---

**Course Levels:**

Undergraduate (1000-5000 level)

---

**Course Components:**

Independent Study

---

**Course Description:**

Supervised research and project work arranged individually for students resulting in written thesis.

---

**Prerequisites and Co-requisites:**

Prereq: GPA 3.0 or above, and permission of instructor.

---

**Course Topics:**

- Supervised undergraduate research in Chemical and Biomolecular Engineering resulting in written thesis.
- 

**Designation:**

Elective
