

THE OHIO STATE UNIVERSITY
COLLEGE OF ENGINEERING

Undergraduate Research in Computer Science and Engineering

CSE 4998

Credit Hours:

1.00 - 10.00

Course Levels:

Undergraduate (1000-5000 level)

Course Components:

Independent Study

Course Description:

Opportunity for undergraduate student to conduct research in Computer Science and Engineering.

Prerequisites and Co-requisites:

Prereq: Permission of instructor.

Course Goals / Objectives:

- Opportunity for undergraduate student to conduct research in Computer Science and Engineering.
-

Course Topics:

- Opportunity for undergraduate student to conduct research in Computer Science and Engineering.
-

Designation:

Elective
