

THE OHIO STATE UNIVERSITY
COLLEGE OF ENGINEERING

Intermediate Studies in Software Engineering

CSE 5239

Credit Hours:

2.00 - 3.00

Course Levels:

Undergraduate (1000-5000 level)

Graduate (5000-8000 level)

Course Components:

Lecture

Course Description:

Intermediate-level topics in software engineering.

Course Goals / Objectives:

- Depends on specific topic in the area of software engineering
-

Course Topics:

- Current topics in software engineering
-

Designation:

Elective
