

**THE OHIO STATE UNIVERSITY**  
COLLEGE OF ENGINEERING

# Intermediate Studies in Computation Theory

## CSE 5329

**Credit Hours:**

2.00 - 3.00

---

**Course Levels:**

Undergraduate (1000-5000 level)

Graduate (5000-8000 level)

---

**Course Components:**

Lecture

---

**Course Description:**

Intermediate-level topics in computation theory.

---

**Course Goals / Objectives:**

- Depends on the specific topic in the computation theory area
- 

**Course Topics:**

- Current topics in computation theory
- 

**Designation:**

Elective
