

THE OHIO STATE UNIVERSITY
COLLEGE OF ENGINEERING

Undergraduate Honors Research

ECE 4998.01H

Credit Hours:

0.50 - 3.00

Course Levels:

Undergraduate (1000-5000 level)

Course Components:

Independent Study

Course Description:

Supervised research in various topics for undergraduate honors students.

Prerequisites and Co-requisites:

Prereq: Honors standing; or GPA 3.4 or above, and permission of instructor.

Course Goals / Objectives:

- To engage honors undergraduates in electrical and computer engineering research
-

Course Topics:

- Supervised undergraduate research on various topics in Electrical and Computer Engineering
-

Designation:

Elective
