

THE OHIO STATE UNIVERSITY
COLLEGE OF ENGINEERING

Undergraduate Thesis Research

ECE 4999.01

Credit Hours:

0.50 - 3.00

Course Levels:

Undergraduate (1000-5000 level)

Course Components:

Independent Study

Course Description:

Undergraduate Thesis (Distinction) research on topics in Electrical & Computer Engineering.

Prerequisites and Co-requisites:

Prereq: GPA 3.0 or above, and enrollment in ECE major, and approved Thesis (Distinction) project.

Course Goals / Objectives:

- Engage undergraduates in electrical and computer engineering research and to prepare students for graduate thesis/dissertation work
-

Course Topics:

- Supervised undergraduate research on various topics in Electrical and Computer Engineering
-

Designation:

Elective
