

THE OHIO STATE UNIVERSITY
COLLEGE OF ENGINEERING

Undergraduate Thesis Research in Engineering Education

ENGREDU 4999

Credit Hours:

1.00 - 5.00

Course Levels:

Undergraduate (1000-5000 level)

Course Components:

Independent Study

Course Description:

Undergraduate thesis research on topics in Engineering Education. For students pursuing Research Distinction.

Prerequisites and Co-requisites:

Prereq: CPHR 3.0 or above, and Sr standing in the College of Engineering, and permission of instructor.

Course Goals / Objectives:

- Eligible students are offered the opportunity to pursue independent project/research in the area of Engineering Education
-

Course Topics:

- Students have the opportunity to pursue independent project/research.
-

Designation:

Elective
